

CLEVELAND CHAPTER OF THE INDOOR AIR QUALITY ASSOCIATION

IAQA CLEVELAND CHAPTER

2ND ANNUAL

GREEN ROUNDTABLE

12 NOON, WED. APRIL 14, 2010

Come answer the Question:

What does Green mean to You?

The February meeting will be an **Open Forum Roundtable Discussion** with you, the members, as the discussion participants. The topic will be the same as last February, making this our **FIRST 2nd Annual Meeting!** That means we've been doing this for more than one full year. Bring your comments, suggestions, ideas, success stories about Green. Tell us what you think it means to you! Last year we all learned a lot of new things and new ways to think about green, sustainability, global warming, and our industry efforts to get more green – and sell more green too!

We are back! Sorry about the last two months, we cancelled for weather in February, and conflicts got in the way in March. But, we are back on track and planning for some great upcoming presentations.

The next monthly meeting of the Indoor Air Quality Association Cleveland Chapter will be held on Wednesday, April 14, 2009 – Noon – 1:30pm, at Ohio State Waterproofing, 365 Highland Road E, Macedonia, OH 44056. Lunch will be served, the cost to cover the meal will be \$12/person. If you have dining preferences, such as vegetarian, please let us know and we will try our best to accommodate you. Please RSVP to Tim Chapin at 330-468-6500, or timchapin@hotmail.com, by February 8, 2009.

Sincerely,

Scott Armour, M.S. Tim Chapin, CRMI

Director, IAQA Cleveland Chapter Assistant Director , IAQA Cleve.
