

Indoor Air Quality Association San Francisco Chapter

December 17th, 2009 – San Francisco Workshop

The San Francisco Chapter of the Indoor Air Quality Association is pleased to announce our next workshop on Thursday, December 17th, 2009 from 8:00 am to 12:30 pm

Expanding Your Horizon for IEQ Professionals

Is your company considering a new service line or looking to enter a new market? What training or certifications will you need? What equipment or laboratory services are available? This practical course will help you answer some of these important questions.

“Expanding your Horizon for IAQ Professionals” will cover topics such as:

- **Marketing**
- **Expanding your existing services into new markets**
 - Food
 - Pharmaceuticals
 - High-Tech
 - Nanotube manufacturing
 - Hospitals
- **Growing areas of opportunities**
 - Lead-based paint (new requirements)
 - Chinese drywall
 - Radon (call by WHO for stricter rules)
 - LEED Certification
 - EMF
 - VOC and soil gas
- **Resources for your growth**
 - Equipment
 - Training
 - Certification
 - Laboratories

Who Should Attend: Industrial hygienists, applied scientists, microbial investigators, and indoor environmental professionals

Schedule: Thursday, December 17, 2009, 8:00 am – 12:30 pm

Location: CSC, Inc.’s Conference Room, 275 Rose Ave, Pleasanton, CA 94566

You can earn educational units by attending this workshop.
